

SECTION XX. Section 37 of Chapter 303 of the acts of 2008 is hereby amended by striking out sections 1 to 36, inclusive, and inserting in place thereof the following 34 sections:

Whereas, the deferred operation of this act would tend to defeat its purpose, which is to forthwith enhance economic development and improve the general welfare of the area comprising the former Naval Air Station in South Weymouth and its environs, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Section 1. It is hereby found that the closure of the Naval Air Station hereinafter referred to as NAS South Weymouth, by the United States Government in September of 1997 has been and continues to be detrimental to the economic welfare of the citizens of the commonwealth and, in particular, the towns of Abington and Rockland and the city known as the town of Weymouth, hereinafter referred to as the town of Weymouth. The closure of this military installation imposes upon the commonwealth and its citizens an increased fiscal burden in addition to that incurred by the commonwealth on account of the closure of various other military installations in the commonwealth. It is further found that the full redevelopment of NAS South Weymouth remains essential for the benefit of the towns of Abington, Rockland and Weymouth, the region and the commonwealth, but has been hindered by a combination of economic, legal, governance and structural forces that cannot be addressed effectively pursuant to the original South Shore Tri-Town Development Corporation Enabling Act (Chapter 301 of the Acts of 1998, as amended and restated by Section 37 of Chapter 303 of the Acts of 1998). It is further found that the problems inherent in said original act can be addressed in part through a reconstitution of the South Shore Tri-Town Development Corporation's (SSTDC) board of directors, a reinforcement of municipal control over land-use and development decisions affecting each of the three towns (Abington, Rockland and Weymouth) that constitute NAS South Weymouth, and a stronger alignment of interests between SSTDC, the towns, and the master developer (as defined herein). Therefore, it is the purpose of this act to promote the expeditious and orderly conversion and redevelopment of NAS South Weymouth for nonmilitary purposes, including, but not limited to, commercial, housing, industrial, institutional, educational, governmental, recreational, conservation or manufacturing uses in order to prevent blight, economic dislocation and additional unemployment, and to aid and strengthen the local economy, the regional economy and the economy of the commonwealth. In order to achieve these objectives, it is deemed necessary and appropriate to continue with certain modification the existence of SSTDC as a public corporation with full powers and authority to carry out the purposes of this act.

Section 2. It shall be the goal of this act to promote the expeditious acquisition and redevelopment of NAS South Weymouth while addressing the economic, social and environmental needs of the region. The redevelopment is designed to minimize and mitigate negative off-base impacts on the area such as those on water resources, air quality, traffic and noise, and to limit the impacts to those necessary to achieve community reuse goals and objectives. The redevelopment shall be integrated with the United States government's cleanup of hazardous materials on the base to ensure effective, expeditious and efficient environmental remediation and protection of public health and welfare in accordance with federal and state law and regulation.

Section 3. There is hereby created a body politic and corporate, to be known as South Shore Tri-Town Development Corporation, to carry out this act. The corporation is hereby deemed to be a public instrumentality, and the exercise by the corporation of the powers conferred by this act shall be deemed and held to be the performance of public functions. The corporation shall be included within the definition of a “local governmental unit”, as defined in section 1 of chapter 29C of the General Laws, and its bonds and notes shall be included within the definition of “local governmental obligations”, as defined in said section 1 of said chapter 29C. The corporation shall be included within the definition of a “governmental entity” for purposes of owning public infrastructure improvements pursuant to chapter 293 of the acts of 2006. The corporation shall be an “eligible applicant” and a municipality for the purposes of the General Laws and the corporation, the town of Rockland, and the town of Weymouth shall be eligible for any financial or other assistance from the Massachusetts School Building Authority and the Massachusetts Department of Transportation pursuant to chapter 90 of the General Laws.

To achieve its primary purpose of securing the redevelopment of NAS South Weymouth to the greatest benefit of the towns of Abington, Rockland and Weymouth, the corporation shall be guided in its financing activities with the goal of maximizing the fiscal benefit to the towns stemming from the redevelopment from a long term perspective. The corporation, during its existence, shall attempt to pursue the redevelopment of the underutilized land within NAS South Weymouth in a manner that maximizes the opportunity, over the lifetime of the Project, for generating revenue for the towns that exceeds the costs that the towns incur for the provision of those municipal services that the towns are obligated to provide to NAS South Weymouth pursuant to this act. The corporation shall, to the maximum extent feasible and consistent with the zoning by-laws, dispose of all of the property within the NAS South Weymouth Redevelopment Area through sale or other transfer prior to said corporation's termination as provided in section 33.

Any resident appointee who fails to maintain his or her legal residence as required shall be automatically disqualified from further services on the board without need for further action by the board or the relevant appointing authority.

(g) Public employees or appointed officials of the federal government and the commonwealth and its political subdivisions may serve as directors of the corporation so long as their service as director does not constitute a conflict of interest with their duties as public employees or appointed officials.

(h) Directors shall be subject to chapter 268A of the General Laws.

(i) The directors may, from time to time, by majority vote designate employees of the corporation, consultants and other individuals to participate on boards, commissions, committees and other organizations established by the corporation or otherwise related to the Project as a representative of the directors.

(j) The directors may, from time to time, by majority vote, authorize a person, other than a majority of the board, to issue endorsements, certificates and other ministerial documents in furtherance of actions taken by the board.

(k) The officers and directors of the corporation shall have the full protections afforded by section 13 of chapter 258 of the General Laws to the same extent as municipal officers in a city or town which has accepted said section 13 of said chapter 258.

Section 10. If a director, or member of his immediate family shall be interested either directly or indirectly, or shall be a director, officer or employee of or have an ownership interest in a firm or corporation interested directly or indirectly, in a contract or other matter involving the corporation, such interest shall be disclosed to the board and shall be set forth in the minutes of the board. The member having such interest shall not participate on behalf of the corporation in any proceeding or decision relating to such contract or matter. For the purpose of this section, immediate family shall include spouse, parent, parent-in-law, brother, brother-in-law, sister, sister-in-law, son, son-in-law, daughter, daughter-in-law and the parent or child of any of such individuals. Notwithstanding the foregoing, or the provisions of chapter 268A of the General Laws, an interest of a resident appointee or of a member of the immediate family of a resident appointee arising solely on account of the appointee's or immediate family member's residing at NAS South Weymouth shall not be disqualifying and shall not be deemed an impermissible conflict of interest.

Section 11. (a) There shall be an advisory board to the corporation consisting of: (i) 1 voting representative appointed by the town of Abington and 1 voting representative appointed by the town of Hingham; (ii) 2 voting representatives appointed by the town of Rockland and 2 voting representatives appointed by the town of Weymouth; (iii) 1 voting representative of the metropolitan area planning council who shall be a member of and be designated by the board of the council and who shall reside in Norfolk county; (iv) 1 voting representative of the Old Colony Planning Council who shall be a member of and be designated by the board of the council and who shall reside in Plymouth county; and (v) 3 voting representatives to be appointed by the governor, 1 of whom shall have skill and expertise in matters relating to environmental protection, 1 of whom shall have skill and expertise in matters relating to real estate development and 1 of whom shall be a member of the board of the South Shore Chamber of Commerce. The members of the advisory board representing a town shall be appointed by, and serve at the pleasure of, the mayor of the town of Weymouth or board of selectmen of each such other town. The members of the advisory board appointed by the metropolitan area planning council and the Old Colony Planning Council shall serve at the pleasure of the councils. The members of the advisory board appointed by the governor shall serve at the pleasure of the governor.

(b) The total voting membership of the advisory board shall be 11 votes, equally weighted. The advisory board may act at regular periodic meetings called in accordance with its by-laws or at a special meeting called by the corporation or by 6 or more members of the advisory board. A quorum of the advisory board shall consist of 6 representatives. The advisory board may act by the affirmative vote of a majority of the representatives present that constitute a quorum.

(c) For the conduct of its business the advisory board shall adopt and may revise and amend its own by-laws. The advisory board shall annually elect from among its members a chairperson, a vice chairperson and a secretary and such other officers as the advisory board may determine.

Each such officer shall serve in such capacity at the pleasure of the advisory board and may be removed from such position by majority vote of the advisory board. In the event of a vacancy, the appointing authority shall fill the vacancy for the unexpired term. Each member of the advisory board shall serve without compensation but may be reimbursed for all reasonable expenses incurred in the performance of his or her duties as approved by the advisory board and the corporation.

(d) The purposes of the advisory board shall be as follows:

- (i) to review the annual report of the corporation and to prepare comments thereon for the benefit of the corporation, the governor and the towns, and to make such examinations of the reports on the corporation's records and affairs as the advisory board deems appropriate;
- (ii) to hold regular meetings twice annually with the board of directors of the corporation and, at the discretion of the advisory board and with the concurrence of the board of directors of the corporation, special meetings with the board of directors of the corporation as it deems necessary and appropriate on matters relating to the corporation, and to hold meetings at other times as the advisory board may determine;
- (iii) to make recommendations to the corporation on its annual budget;
- (iv) to make recommendations to the governor, the general court and the towns regarding the corporation and its programs;
- (v) to determine, from time to time, compensation for the directors pursuant to section 9; and
- (vi) to approve the hiring and compensation of employees of the corporation pursuant to section 12.

(e) The corporation shall provide such reasonable administrative and staff support to the advisory board as may be necessary for the efficient discharge of the advisory board's responsibilities pursuant to this act.

Section 12. The board may from time to time hire employees or engage outside vendors or consultants as necessary to achieve the orderly functioning of the corporation. Employees of the corporation shall not be subject to the provisions of chapter 30 or section 45, 46, 51 or 52 of chapter 31 of the General Laws. Employees of the corporation shall be subject to the provisions of chapter 268A of the General Laws. Compensation for employees of the corporation shall be set by the board with the approval of the advisory board.

Section 13. Subject to approval by the advisory board, the corporation may hire, fix and pay compensation, prescribe duties and qualifications and establish personnel policies without regard to any personnel or civil service law or personnel or civil service rule of the commonwealth. The employees of the corporation shall not be classified employees of the commonwealth. An individual employed by the corporation shall be deemed an employee at will and shall serve at the pleasure of the corporation.

Section 14. (a) The reuse plan is rescinded and terminated in its entirety as of the date of this act, and is to be of no further force and effect. The master plan is rescinded and terminated in its entirety as of the effective date of this act, and is to be of no further force and effect. The zoning by-laws shall remain in effect, subject to their modification pursuant to the procedures set forth

in this Section 14. Such zoning by-laws, as they be modified in accordance with this Section 14 from time to time, shall supersede the zoning by-laws of the towns.

(b) Notwithstanding the termination of the reuse plan pursuant to Section 14(a), the following elements of the reuse plan, as they may be modified below, shall remain applicable to the Project:

(1) the commercial minimum and the residential maximum shall remain in effect. The zoning by-laws shall be administered and amended as necessary to enforce and effectuate the commercial minimum and the residential maximum; provided, however, that nothing in this act shall be construed to prevent each town, acting in its sole discretion and consistent with other law, to allow Commercial Development within the portion of the NAS South Weymouth Development Area within its municipal borders to exceed an amount that would cause the total amount of commercial development within NAS South Weymouth to exceed 2,000,000 square feet;

(2) notwithstanding anything to the contrary contained in this act or any other general or special law or bylaw or regulation of the corporation, or in any existing agreement between the master developer and the corporation or any other entity, a minimum of 10% of the residential units at NAS South Weymouth shall meet the requirements of “Affordable” and “Workforce” housing as such terms are defined in the affordable and workforce housing plan and the affordable and workforce housing regulations. Affordable or workforce housing constructed within NAS South Weymouth prior to the effective date of this act shall be counted towards the 10% minimum requirement;

(3) the Project shall be planned and built-out consistent with the “smart growth” and “sustainable” principles articulated in the reuse plan; and

(4) passive and active recreational facilities shall be included in the further development of NAS South Weymouth, with such facilities to be of a type selected from the facility types identified in the Recreation, Park and Open Space Standards and Guidelines published by the National Recreation and Parks Association, and to be in locations and delivered on a schedule, all as selected and determined by the master developer in consultation with the board and, to the extent practicable, consistent with guidelines promulgated from time to time by said Association. The master developer shall, upon the request of any town, enter into commercially reasonable agreements with that town respecting such town’s usage of such facilities.

(c) Major zoning revisions shall not be effective until the town in which the land that is the subject of such revision is located approves the revision. No town shall consider a major zoning revision except at the initiative of the applicable town executive, the master developer, or a person owning land to be affected by the revision. Within 90 days of receipt of a petition for a proposed major zoning revision, the receiving town shall convene a meeting of the town council (in Weymouth) or a town meeting (if in Rockland or Abington) for the purpose of adopting the proposed major zoning revision. Each town shall vote to adopt or disapprove the major zoning revision as submitted to the town council or town meeting, as the case may be. No amendments to the proposed major zoning revision shall be made by the towns. The towns shall notify the corporation of any major zoning revisions they may adopt, such notice to be provided within

thirty days of obtaining the attorney general’s approval of such revision pursuant to section 32 of chapter 40 of the General Laws. All other procedures for the adoption or rejection of a proposed major zoning revision by the towns shall be as set forth in Chapter 40A of the General Laws.

(d) The board shall have the authority to make minor zoning revisions. In addition, the board shall within 3 months of the effective date of this act, make all revisions to the existing zoning by-laws necessary to make the zoning by-laws conform to this act, including changes that eliminate all reference in the existing zoning by-laws to the reuse plan or the master plan. The corporation shall be responsible for maintaining a codification of the zoning by-law that reflects all major zoning revisions adopted by the various towns, all minor zoning revisions adopted by the board, and all revisions to the zoning map made pursuant to Section 14(e).

(e) The zoning map shall be deemed as of the effective date of this act to be revised to establish town-specific sub-districts within any zoning district that is shown on the existing zoning map as falling within more than one town. Within 180 days of the effective date of this act, the master developer and the applicable executive or executives shall jointly petition the applicable town or towns to initiate a zoning map amendment process that establishes the dedicated commercial zone. Notwithstanding anything to the contrary in this act or any General Law, no town may thereafter revise the location or boundaries of portions of the dedicated commercial zone that falls within its borders except at the joint initiative of the master developer and that town’s executive.

(f) Revisions to the zoning by-laws pursuant to Section 14(d) shall be by majority vote of the board. Prior to approving any minor zoning revision pursuant to Section 14(d), the corporation shall publish a notice of public hearing in a newspaper of general circulation within the NAS South Weymouth Region, and hold at least one public hearing in the NAS South Weymouth Redevelopment Area or in any one of the towns at which the public shall be afforded the opportunity to comment on the proposed revision. The administrative provisions of the zoning by-laws (or of any other regulation promulgated by the corporation) may provide for expedited permitting under which the time frames for actions, including a failure to take action, applicable to municipalities and their boards, commissions and agencies under the provisions of the General Laws may be shortened. Nothing in this section shall require the corporation to be governed by the requirements of chapter 30A of the General Laws.

(g) The procedures set forth in this section for adopting revisions to the zoning by-laws shall be exclusive notwithstanding any general or special law to the contrary.

(h) Regulations for the effective implementation and enforcement of the zoning by-laws and revisions thereof shall be developed and adopted by the corporation, pursuant to section 6. No regulation shall be adopted by the corporation without first publishing notice of same in a newspaper of general circulation within the NAS South Weymouth Region, holding at least one public hearing in the NAS South Weymouth Redevelopment Area or in any one of the towns, and affording the opportunity for public comment. Nothing in this section shall require the corporation to be governed by the requirements of chapter 30A of the General Laws.

(i) (1) As authorized in Section 6(t), the corporation shall have exclusive authority to issue and enforce permits, approvals, orders of conditions and other entitlements pursuant to the zoning by-law, regulations promulgated pursuant to Section 14(h), subdivision regulations, and wetland protection laws in effect within the Central Redevelopment Area. Such authority shall include the exclusive jurisdiction to sit as a permit granting authority pursuant to section 15 of chapter 40A of the General Laws. All other permitting, licensing, enforcement and entitlement authority vested in or conferred on municipalities, their executives, or their various departments and boards (including without limitation their boards of health and inspectional services departments) pursuant to the General Laws shall be vested in the town in which the applicable portion of the Project is located. Without limiting the generality of the preceding sentence, each town's inspectional services department will be responsible for issuing and enforcing building permits and certificates of occupancy for construction activities occurring within the respective town's borders.

(2) The town of Weymouth is authorized to issue a maximum of 13 alcoholic beverage licenses within the portion of the NAS South Weymouth Redevelopment Area located within Weymouth in accordance with chapter 138 of the General Laws, and the town of Rockland is authorized to issue a maximum of 2 alcoholic beverage licenses within the portion of the NAS South Weymouth Redevelopment Area located within Rockland in accordance with said chapter 138; provided, however, that said licenses shall not diminish the number of licenses permitted by the commonwealth to be granted elsewhere within the towns of Weymouth or Rockland. None of the licenses authorized by this section shall be transferable outside the NAS South Weymouth Redevelopment Area. Nothing in this section shall be deemed to limit the ability of the towns to issue entertainment licenses and temporary alcoholic beverage licenses as it deems necessary and appropriate for activities occurring within their respective borders.

(j) All decisions and determinations of the corporation, whether legislative or adjudicatory in nature, shall be appealable by persons aggrieved by such decision or determination in accordance with applicable provisions of the General Laws. Where any applicable General Law requires notice of any such appeal to be filed with a municipal clerk, such filing shall be made with the clerk of the corporation, and with the clerk of the town or towns in which the land directly affected by such decision or determination is located.

Section 15. The board is hereby directed, within 90 days of its initial installation pursuant to Section 9(a), to revise, re-promulgate, re-issue, re-negotiate, and re-execute all regulations promulgated by the corporation and currently in effect and all material agreements (including the DDA) in effect between the corporation and the master developer, all for the purpose of conforming such regulations, agreements and other documents to this act. Without limiting the generality of the foregoing, the DDA, as renegotiated pursuant to this section 15 shall:

(a) assign to the master developer the responsibility for procuring and financing the permanent water supply and wastewater capacity, and shall require the master developer to allocate and reserve, for the benefit of the Dedicated Commercial Zone, such portions of the permanent water supply and wastewater capacity as are adequate and necessary to serve commercial development within said zone. The DDA shall provide that the foregoing

obligations will be contingent on the town of Weymouth entering the agreement with the corporation contemplated in section 20(g). The permanent wastewater capacity may include the construction of a wastewater treatment plant and associated groundwater discharge facilities in the locations contemplated for such infrastructure in the master plan; and

(b) not include any provision imposing monetary penalties or forfeitures on the master developer in the event the master developer elects not to develop a golf course as part of the Project.

Section 16. The executive office for administration and finance and the executive offices of housing and economic development and of labor and workforce development shall identify a senior staff member who shall assist the master developer with establishing a method for coordinating 1-stop licensing for all businesses and developments to be located within the NAS South Weymouth Redevelopment Area for the purpose of expediting the process for obtaining commonwealth licenses, permits, certificates, approvals, registrations, charters and meeting any other requirements of law.

Section 17. Each public agency in the commonwealth involved in the development or financing of economic development projects shall develop a coordinated 1-stop program for businesses, institutions and private parties that may intend to locate in the NAS South Weymouth Redevelopment Area in order to enable development activities within the NAS South Weymouth Redevelopment Area to be more effectively promoted by the commonwealth.

Section 18. (a) The corporation may fix, revise, charge, collect, levy and abate betterments, assessments, special assessments and fees, and other charges for the cost, administration and operation of the infrastructure improvements. In providing for the payment of the cost of the infrastructure improvements or for the use of the infrastructure improvements, the corporation may avail itself of the General Laws relative to the assessment, apportionment, division, fixing, reassessment, revision, abatement and collection of infrastructure charges, including betterments, assessments, special assessments and fees by municipalities, or the establishment of liens therefor and interest thereon, and the procedures set forth in sections 5 and 6 of chapter 254 of the General Laws for the foreclosure of liens, as it shall deem necessary and appropriate for purposes of the assessment and collection of such infrastructure improvement charges. Notwithstanding any general or special law to the contrary, the corporation may pay the entire cost of any infrastructure improvements, including the acquisition thereof, during construction or after completion, or the debt service of notes or bonds used to fund such costs, from betterments, assessments, special assessments, fees, or other charges, and may establish the betterments, assessments, special assessments, fees or other charges, prior to, during, or a reasonable time following the completion of the construction of such infrastructure improvements. The corporation may establish a schedule for the payment of betterments, assessments, special assessments, fees or other charges, not to exceed 35 years. The corporation may determine the circumstances under which the betterments, assessments, special assessments, fees and other charges, may be increased, if at all, as a consequence of delinquency or default by the owner of that parcel or any other parcel within the NAS South Weymouth Redevelopment Area.

(b) The betterments, assessments, special assessments, fees and other charges of general application authorized by this act may be increased in accordance with the procedures to be established by the corporation for assuring that interested persons are afforded notice and an opportunity to present data, views and arguments. The initial schedule of assessments, special assessments, fees and other charges, may be adopted by the corporation at any scheduled meeting of the board, provided that notice of the meeting, and the proposed schedule, is sent to each owner of a parcel within the NAS South Weymouth Redevelopment Area, by registered or certified mail at least 7 days prior to the meeting. Thereafter, the corporation shall hold at least 1 public hearing on a revision to its schedule of betterments, assessments, special assessments, fees and other charges thereof prior to adoption by the corporation, notice of which revisions shall be delivered to the towns and shall be published in a newspaper of general circulation in each of the towns at least 1 month in advance of the hearing. No later than the date of such publications, the corporation shall make available to the public and deliver to the towns the proposed revisions to the schedule of special assessments, fees, betterments, assessments and other charges. The betterments, assessments, special assessments, fees and other charges established by the corporation shall not be subject to supervision or regulation by any department, division, commission, board, bureau or agency of the commonwealth or its political subdivisions, including without limitation, the towns, except for the approval of the taxation plan and any amendments thereof requiring approval by the secretary and commissioner of the department of revenue.

(c) The betterments, assessments, special assessments, fees and other charges established by the corporation in accordance with this act shall be fixed and adjusted in respect of the aggregate thereof so as to provide revenues sufficient: (i) to pay the principal of, premium, if any, and interest on bonds, notes or other evidences of indebtedness issued by the corporation under this act as the same become due and payable; (ii) to create and maintain such reasonable reserves as may be reasonably required by a trust agreement or resolution securing bonds or notes; (iii) to provide funds for paying the cost of necessary repairs, replacements and renewals of infrastructure improvements; and (iv) to pay or provide for an amount that the corporation may be obligated to pay or provide for by law or contract, including a resolution or contract with or for the benefit of the holders of its bonds and notes, provided that the corporation shall not be required to increase any mandatory betterments, assessments, special assessments, fees or other charges by virtue of any individual proprietor delinquencies. Nothing herein shall be deemed to impose a limitation on the corporation's ability to establish, set, or impose betterments, assessments, special assessments, fees or charges at levels sufficient to meet any covenant requirements that may be contained in any resolution or contract with or for the benefit of the holders of its bonds or notes, or otherwise providing security for the same.

(d) As an alternative to levying betterments, assessments, special assessments, fees and other charges under this act or the General Laws, the corporation may levy special assessments on real estate within the NAS South Weymouth Redevelopment Area to finance the cost, administration and operation of the infrastructure improvements. In determining the basis for and amount of the special assessment, the cost, administration, maintenance and operation of the infrastructure improvements, including the cost of the repayment of the debt issued or to be issued by the corporation to finance the improvements, may be calculated and levied using any of the

following methods that result in fairly allocating the costs of the infrastructure improvements to the real estate in the NAS South Weymouth Redevelopment Area:

- (1) equally per length of frontage, or by lot, parcel or dwelling unit, or by the square footage of a lot, parcel or dwelling unit;
- (2) according to the value of the property; or
- (3) in any other reasonable manner that results in fairly allocating the cost, administration and operation of the infrastructure improvements, according to the benefit conferred or use received including, but not limited to, by classification of commercial or residential use or distance from the infrastructure improvements.

(e) The corporation may also provide for the following:

- (1) a maximum amount to be assessed with respect to any parcel;
- (2) a tax year or other date after which no further special assessments under this section shall be levied or collected on a parcel;
- (3) annual collection of the levy without subsequent approval of the corporation;
- (4) the circumstances under which the special assessment levied against a parcel may be increased, if at all, as a consequence of delinquency or default by the owner of that parcel or any other parcel within the NAS South Weymouth Redevelopment Area; and
- (5) procedures allowing for the prepayment of betterments, assessments, special assessments, fees and other charges under this act.

(f) Betterments, assessments, special assessments, fees and other charges levied under this act shall be collected and secured in the same manner as property taxes, betterments, assessments and fees owed to the towns unless otherwise provided by the corporation and shall be subject to the same penalties and the same procedure, sale and lien priority in case of delinquency as is provided for such property taxes, betterments and liens owed to the towns.

(g) The appellate tax board shall have jurisdiction within the NAS South Weymouth Redevelopment Area pursuant to chapter 58A of the General Laws to the same extent as its jurisdiction in cities and towns.

Section 19. (a) Property taxes upon personal property, persons, residents and estates lying within the NAS South Weymouth Redevelopment Area, including both the central redevelopment area and the perimeter area, shall be imposed, levied and administered by each town for its respective portion of NAS South Weymouth, consistent with the General Laws that are applicable to municipalities. The towns shall apply to land within NAS South Weymouth a property tax rate equal to the base rate plus the Tri-Town rate. In connection with the foregoing, the towns shall have all the powers and authority of cities and towns under chapters 40, 59, 60, 60A, 61B and section 3A of chapter 64G of the General Laws, and may accept a local option under a general or special law related to the assessment, exemption or enforcement of property taxes and excises that cities and towns may accept. The board shall notify each town of the Tri-Town rate to be charged in the next following fiscal year no later than March 1 of each year. No later than 30 days after collection of property taxes for each fiscal quarter, each town shall remit to the corporation the Tri-Town revenue collected by such town in the preceding fiscal quarter. Until such time as the town of Weymouth enters the agreement with the corporation contemplated in section 20(g), each town shall also, with each remittance of Tri-Town revenue to the corporation,

remit pledged revenue collected during the relevant period. Nothing in this act shall be deemed to limit a town's ability, in respect of any given fiscal year or other period, to remit property tax revenue in excess of Tri-Town revenue to the corporation.

(b) In consideration of the collection and retention of base revenue pursuant to Section 19(a), by the later of 90 days following the effective date of this act and July 1, 2014, each town shall assume responsibility for providing police and fire protection, emergency services, schools, waste collection, public way maintenance, public works, and other municipal services to its respective portion of NAS South Weymouth (except for portions owned or controlled by agencies of the United States government) on the same basis and terms as it provides such services to other parts of the town. Notwithstanding the generality of the preceding sentence, no town shall be required to provide water or sewer services to any portion of NAS South Weymouth except pursuant to agreement with the corporation or the master developer (including pursuant to the phase I water and wastewater agreement). For purposes of determining state education assistance, including without limitation the calculation of each town's foundation enrollment under chapter 70 of the General Laws, each school-age child living within NAS South Weymouth shall be counted as a child enrolled in the town in which the child resides, and all expenses incurred by each respective town on behalf of such children's' education shall be included as expenses of the town incurring such costs in the determination of each respective town's share of such assistance, including without limitation each town's foundation budget under said chapter 70.

(c) Within 180 days of the effective day of this act (or, with respect to the town of Weymouth, only upon such town agreeing to enter the agreement with the corporation contemplated in section 20(g)), the corporation and the master developer, as the case may be, will take all actions necessary to transfer to the applicable town control of all existing public ways, or ways maintained and used as public ways, located within NAS South Weymouth, together with associated infrastructure (including public utilities and sewer and storm drain lines located within or adjacent to the rights of way of such ways), and each town shall, without regard to the requirements of chapter 82 of the General Laws or other general or special laws, accept the applicable portion of such way or ways as a public way in said town. Each town shall accept as a public way any new public way constructed within NAS South Weymouth following the effective date of this Act provided the board has approved the layout and construction of such way consistent with the corporation's subdivision regulations. Notwithstanding any general or special law to the contrary, (i) public ways (or portions thereof) located within NAS South Weymouth and for which a town assumes maintenance, repair and other obligations pursuant to this Section 19(c) shall be included in the apportionment for such town of state assistance to cities and towns under chapter 90 of the General Laws (or under any other statute or program providing financial assistance to cities and towns of the commonwealth in connection with transportation matters), (ii) any other attributes of a town located within NAS South Weymouth (including without limitation population and employment) shall likewise be included for purposes of such apportionment, and (iii) improvement, maintenance, repair or other projects related to said public ways shall be eligible for such assistance. The provisions of this Section 19(c) shall not apply to the parkway, existing and future portions of which shall remain subject to the master developer's control until such time as the master developer transfers control to a third party on such terms as the master developer and such third party may agree.

(d) Except for the phase I water and wastewater agreement, any existing agreements between the towns and the corporation or the master developer, as applicable, related to the provision of municipal services to NAS South Weymouth, and the rates charged for such services, are hereby rescinded and shall have no further force and effect.

(e) Following the termination of the corporation in accordance with section 33, each town shall have the authority to assess, impose, levy and collect property taxes on properties located within its respective portion of the NAS South Weymouth Development Area on the same basis as such town administers its property tax collection system elsewhere within the town.

Section 20. (a) The corporation may provide by resolution of the board for the issuance of bonds and notes of the corporation for the purposes of paying or refinancing all or any part of the cost of the Project and its infrastructure improvements. Such cost shall include the cost of: (1) construction, reconstruction, renovation and acquisition of all lands, structures, real or personal property, rights, rights-of-way, franchises, easements and interests acquired or to be acquired by the corporation, the towns, the commonwealth or any other political subdivision thereof, including the costs of infrastructure to be transferred to the towns in accordance with section 19(c); (2) all machinery and equipment including machinery and equipment needed to expand or enhance services from the towns, the commonwealth or a political subdivision thereof to the corporation; (3) financing charges and interest prior to and during construction, and for a period not exceeding 1 year after completion of the construction, interest and reserves for principal and interest, including costs of municipal bond insurance and any other type of financial guaranty and costs of issuance; (4) extensions, enlargements, additions and enhancements to infrastructure improvements; (5) architectural, engineering, financial and legal services; (6) plans, specifications, studies, surveys and estimates of costs and of revenues; (7) administrative expenses necessary or incident to the construction, acquisition, financing, operation and maintenance of the Project; and (8) other expenses as may be necessary or incident to the construction, acquisition, operation, maintenance and financing of the infrastructure improvements, including the cost of issuing bonds or notes. The corporation may issue up to \$175,000,000 of its bonds. The corporation may issue bonds secured in whole or in part by betterments, assessments, special assessments, fees and other charges, notes, debentures, long term capital leases, grants and governmental assistance and long-term contracts; provided that the corporation may not secure any bonds or notes issued after the effective date of this act with a pledge or other commitment of ad valorem property taxes assessed by the corporation or the towns pursuant to Section 19. The principal of and interest on such bonds shall be payable solely from the funds which are identified by the corporation and are permitted by this act to provide for such payment. The bonds of each issue shall be dated, shall bear interest at such rates, which may be variable or fixed, and shall mature at times not exceeding 35 years from their dates of initial issuance, as the corporation may determine, and may be made redeemable before maturity, at the option of the corporation, at such prices and under such terms and conditions as the corporation may fix prior to the issuance of the bonds. The corporation shall determine the form of the bonds and the manner of execution of the bonds, and shall fix the denominations of the bonds and the places of payment of principal and interest, which may be at a bank or trust company within or without the commonwealth and such other locations as designated by the corporation. In the event an officer whose signature or a facsimile of whose signature shall

appear on any bonds shall cease to be an officer before the delivery of the bonds, the signature or facsimile shall nevertheless be valid and sufficient for all purposes as if such officer had remained in office until the delivery. The bonds shall be issued in registered form. The corporation may sell the bonds in a manner and for a price, either at public or private sale, as it may determine to be for the best interests of the corporation.

(b) Prior to the preparation of definitive bonds, the corporation may, under like restrictions, issue interim receipts or temporary notes, with or without coupons, exchangeable for definitive bonds when such bonds have been executed and are available for delivery. The corporation may also provide for the replacement of bonds that shall become mutilated or shall be destroyed or lost. The corporation may issue, from time to time, notes of the corporation in anticipation of federal, state or local grants for the cost of the Project and acquiring, constructing or improving the infrastructure improvements. The notes shall be authorized, issued and sold in the same manner as provided in, and shall otherwise be subject, this act. Such notes shall mature at such times as provided by the issuing resolution of the corporation and may be renewed from time to time; provided, however, that all such notes and renewals thereof shall mature on or before 20 years from their date of issuance. Bonds and notes may be issued under this act subject only to those proceedings, conditions or things that are specifically required by this act.

(c) The corporation may provide by resolution for issuance of refunding bonds of the corporation for the purpose of refunding bonds then outstanding at maturity or upon acceleration or redemption. Refunding bonds may be issued at such times prior to the maturity or redemption of the refunded bonds as the corporation deems to be in the public interest. Refunding bonds may be issued in sufficient amounts to pay or provide for the principal of the bonds being refunded under this act, and the payment of a redemption premium thereon and interest accrued or to accrue to the date of redemption of such bonds, and, if deemed advisable by the corporation, for the additional purpose of paying any cost of the Project, including the acquisition, constructing or reconstructing the infrastructure improvements. The issuance of such bonds, the maturities and other details thereof, the rights of the holders thereof, and the duties of the corporation in respect to the same shall be governed by this act insofar as the same may be applicable.

(d) While bonds issued by the corporation remain outstanding, the powers, duties or existence of the corporation shall not be diminished or impaired in any way that will adversely affect the interests and rights of the holders of such bonds, provided that this provision shall not in any way be deemed to limit the provisions of section 20(g).

(e) The board may by resolution delegate to a person, other than a majority of the board, the power to determine any of the matters set forth in this section.

(f) Bonds and notes issued under this section, unless otherwise authorized by law, shall not be deemed to constitute a debt of the commonwealth or of the towns, or a pledge of the faith and credit of the commonwealth or of the towns, but such bonds shall be payable solely from the funds of the corporation or as otherwise provided in this act. Unless the towns or the commonwealth subsequently agree to pay the bonds or notes of the corporation, such bonds and notes shall contain on their faces a statement to the effect that neither the commonwealth nor the towns shall be obliged to pay the same or the interest thereon and that neither the faith and credit
